2. PUBLIC INQUIRIES/INFORMATIONAL
   Charles and Bev Peterson were present to give us an update on the Flag Fund. Charles stated that it was a very good fundraiser. Eighteen flags and brackets have been purchased plus an additional replacement MIA/POW flag for the pavilion. He thanked the city staff for their participation. Charles stated that many of the donors would like to see the flags up longer, perhaps through Veteran’s Day, therefore he would like to volunteer his services to put up and take down the flags for next year. There is a balance of $440.35 in the flag fund. Charles would prefer the city keep that money in the city checking account for future purchases.
   Liability was discussed.
   The council thanked the Peterson’s for their efforts and approved allowing them to be in charge of the flags.

3. OLD BUSINESS
   Kyle Ridlon, the Cromwell-Wright School archery coach, was present to answer some of the council’s questions regarding using the pavilion for practice.
   The clerk stated that we have received the Certificate of Liability Insurance from the school stating the city as an additional insured.
   Kyle explained that eye bolts would need to be installed on the pavilion walls. Tyson Warner has agreed to install them in a secure place on the walls. Tom will oversee the work being done. Kyle said the nets will be taken down after each practice.
   Low adhesion painters tape will be used to mark the practice lanes. The council agreed that the tape can stay on the floor unless other activities in the pavilion are planned. The clerk will let Kyle know if the markings need to be taken off.
Kyle inquired about storage space. The council agreed to let the club use the garage attached to City Hall.

Kyle will get a practice schedule to the clerk. Tentatively practice sessions will be two days a week from approximately 5-6 pm to 8-9 pm.

The club will be responsible for cleaning the pavilion after each use.

The council has agreed to these arrangements.
