Mayor Lund, Council Member Peters, and Clerk Freiermuth met with Teri Osterman from the Minnesota Rural Water Association in February to discuss water and sewer rates. It was suggested that the water rate be changed to a base amount of $24 with an additional $3.75 charge for each 1000 gallons used and a $5.00 flat rate for late charge. The ordinance needs to be changed before rates go into effect. Further discussion at next month’s meeting to re-write the ordinance.
