3. There are some sink holes around the perimeter of one of the ponds. Tom and John Mattonen will take a look at them. Tom said it is not affecting the berm, he thinks it is just decomposed wood creating the ground to sink.
4. The ponds are high. If we don’t continue to have an unusual amount of rain we should be alright, otherwise Tom will probably have to do an early discharge.
5. Gravel is needed on Lippo Lane. Eagle Township shares the cost of repairs on the road 50/50 with the city. Ken Koivisto from Eagle Township said they want to have gravel hauled in. The total cost would be approximately $5000. The council asked if Eagle could go ahead and pay the total and the city will reimburse them by December when our budget is in better shape. Tom and LuAnn will make arrangements with Ken.
6. No water leaks visible in the city apartment.
7. Should be getting the skidsteer this week.
8. The road going out to the ponds is in bad shape. This is shared with Gary Sathre, the storage unit owner, and the railroad. Tom will talk to Keith Laine, a railroad employee, about grading and gravel.
9. The asphalt bids were discussed along with our budget.

A motion was made by Peters to table any asphalting at this time. Seconded by Lippo. Motion carried unanimously.
