

NEWS FROM THE EDGE OF WRIGHT

By Jenni Hanson

I was able to attend Floodwood's Graduation on May 31st. This class has been very special to me since I have subbed for them since kindergarten. When you are a substitute teacher, you follow them all the way through their school years and many of them become special friends. I'd like to share the following poem to them and all our area seniors:

To the Class of 2024! I'm glad I was your teacher, and I will miss you so.
I can't believe the end is here. I hate to let you go! Remember all the things we did
And all the fun we had. But most of all remember, you're a very special Grad! JKH
